Much awaited annual custom of showering blessings on the outgoing batch – Deepotsav, marked by the attendant sombreness was observed by lighting of a thousand Earthen Lamps and presenting stoles, tying of *kalavas* and smearing of vermilion on the foreheads of 180 students, who would be taking their CBSE class XII, here at the White House Court on 5<sup>th</sup> February 2011. As per the convention, the blessing ceremony saw recounting of experiences during their stay at The Asian School by a number of outgoing students, who delivered their speeches with much élan and aplomb. All of them betrayed themselves and shared, with everyone present, their memorable and joyous moments, besides the pranks within and without the classrooms.

Speaking on the occasion Mr AK Das, Principal exhorted the outgoing students to standup against the evils currently prevailing in the society, and do well in the Board exams. Congratulating the old Prefectorial Body, he read out the names of the students comprising the school's new Prefectorial Body. Udit Bhatnagar and Snigdha Tyagi have been appointed as the Head Boy and Head Girl respectively.

Mr Lalit Mohan Sharma, Coordinator-Middle School, conveying the best wishes of Mr. Anant V.D. Thapliyal, Vice-Principal, who had to be out of town, observed that he had had an enriching experience with the outgoing class XII batch, both Science & Commerce. Speaking on the occasion Mrs. Arti Kohli, Headmistress said that she looked forward to seeing the outgoing students placed well in their lives after school.

The ceremony was attended by the entire teaching staff and class XI students.
