Dear Parents,

Warm greetings! For almost past two months we enjoyed taking care of your precious children. You might have noticed that they all love to come to school. For the next one & a half month, you, their natural guardian will spend the vacation with them. Let's share some tips to make this period a fruitful and happy period for them.

- ❖ Let them wash their own plates after every meal. Children learn dignity of labour from such activities.
- ❖ Visit the grandparents or an elderly couple from the neighbourhood and let your children bond with them. Their love and emotional support is very important for your child. Click snaps with them.
- ❖ Take them to your work spot and let your child understand that you work very hard to support the family.
- ❖ Do not miss the local festival and local market.
- ❖ Allow your child to play outdoors, get hurt and get dirty. It's okay for them to fall down and experience pain once in a while. Comfortable life within the sofa cushions will make your child lazy.
- ❖ Allow them to adopt a pet dog or a cat or any animal, bird or fish.
- ❖ Teach them a few folk songs.
- ❖ Keep your children away from TV, mobiles phones, computers and other electronic gadgets; they have their whole life for that.
- ❖ Avoid giving chocolates, jellies, cream cakes, chips, aerated drinks and too many bakery products like puffs and fried items like samosas.
- ❖ Look into the eyes of your little one and thank God for giving you one wonderful gift. In a few years from now, they will be soaring into greater heights.

As parents, it is important to invest your time with them now.
