

## **“THE ASIAN SCHOOL DEHRADUN PROMOTING SCIENCE”**

The fortnight long celebrations to commemorate the Science Day, which witnessed tremendous excitement among all the Asianites, came to a close here at the White House Court on March 5, 2011 with INTER House Science Quiz and Prize Distribution. On this occasion, Mr. Anant Kumar Sharma, Director, Meteorological Centre was present as the Chief Guest.

The team of Pranjal Sinha VIB, Gaurav Bhatia VIIIA, Pranshu Sinha IXD and Tushar Goyal XIA representing Arjun House won the Quiz with 45 points. Ashoka House was a close II with a score of 40 points followed by Shivaji and Ranjeet House with a score of 20 and 17.5 respectively.

The 4<sup>th</sup> Science Day Celebrations spread over a fortnight - an apt way to promoting science subjects and generating interest towards them - saw a huge number of activities such as Chart Making, Essay Writing, Model Making and Power Point Presentations - for each of which an overwhelming response of entries were recorded. Whereas the Power Point Presentation on general physics made by Ritwik Shrimali and Mahesh Rawat of Class XIA was adjudged the best in the senior section, the presentations prepared by Dhruv Dhawan and Akash Agarwal, Shraddha\_Tripathi\_& Sanya Narang were the best among classes IX and VIII. Sandeep Sangha & Divya Raj Singh of class VI emerged winner in the Chart Making Competition.

In the Essay Writing Competition, the write up of Nicole Sangma class VI was the best in the junior section. The imaginary narrations by Dhruv Dhawan and Gajendra Pratap were the best among class all sections of IX.

Speaking on the occasion, the Chief Guest Mr. Anant Kumar Sharma said that The Asian School is doing a good job of popularising Science by organising various science related activities. He appreciated the demonstration of live experiments on stage during the quiz. He could create a lot of excitement among the students through his speech. He said that the whole environment is like an open laboratory; one can learn a lot from the environment that surrounds one immediately through daily observations. He awarded the prizes to the winners of the different competitions organised by the Science Department for promoting science.

The principal, the entire staff and students were present on the occasion.
