

## **Press Release – Fun & Frolic Mark Children’s Day**

Children’s Day was a day of revelry at The Asian School, it was time for the Annual Fete. Asianites along with their family members and students from different schools turned up in large numbers to enjoy this fun and food extravaganza. The Fete was as boisterous, lively and enthusiastically set up, as it is done every year. The event provided the perfect opportunity for all Asianites to let their hair down and enjoy, before the focus shifts to academics.

Children of all ages had something to amuse them. The rides, games, dancing, music and the variety of food stalls were all extremely successful. What a wonderful day! Young people tried their luck at Hoopla, Breaking the Pyramid & Tailing the Donkey. There was a whole range of attractions from handicrafts, stickers and posters to even woollens for ladies. Chole Bhature, Ice-cream, Idli, bhel puri – you name it! Children relished everything. The weather was kind, which helped everyone get into the swing of the event. It was a great effort from everyone involved.

Teachers worked hard to decorate their stalls and ensured a fun filled day for all students. The stall, decorated by Mrs. Seema Bhatt and Mrs. Manju Rautela was adjudged the best decorated stall. The stall decorated by Mrs. Anju Chaudhary & Mrs. Upma Gupta bagged the second place.

The grand raffle draw was watched by many eager eyes, who were all hoping to be among the lucky ones to win a prize. Mayank Chauhan won the first prize (a Honda Click, sponsored by Ess Eil Honda). A 32” TV, was won by Hritik Goyal and the third prize, an AC, was won by Mrs. Smita Sharma.

The event was as always, a resounding success and everyone had a wonder full time. The event came to close at 5:30 pm.
