Dear Parents,

Holidays keep young minds healthy and play a key role in cultivating thinking abilities. However, without practice children can fall behind in core subjects like Science, Math, English etc.

Winter Holiday Homework is an initiative on our part at **The Asian School** to inculcate creativity and interest in the tasks assigned to the students.

Do you often wonder as parents, “How do we motivate children to finish their Holiday Homework when they are full of Holiday spirit and reluctant to study?”. The answer is simple – By making the holiday activities for kids interesting, engaging, and thought-provoking.

Besides the holiday homework given above, we would like to share some tips for your children to make this time a fruitful and happy period for them!!

1) Learn a new skill/hobby:

- Cooking
- Drawing
- Painting
- Gardening
- Dancing
- Playing an instrument

2) Read

Good books will help improve your communication skills and vocabulary. Make a habit of reading 15 minutes before bed.

3) Reconnect with friends

You can reconnect with those whom you did not get to spend much time with during the school term gone by. Send them a text/email to show that you are thinking of them.

4) Enjoy Nature

5) Learn about a country/place you don't know much about.

The world is an amazing place filled with fascinating countries and cities. In these holidays, take some time to learn about the history and culture of a country/place you are not familiar with.

6) Develop healthy habits and eat well.

Drink lots of water

7) Write Thank-You notes

Many people say thank you, but few people write actual thank you notes. During these holidays become one of those people. Make a list of the people who have helped you like friends, teachers, relatives etc.

Write to them a thank you note.

Kindly note:

- A page of handwriting to be practiced in a separate handwriting notebook for both Hindi and English twice a week.
- Homework to be done by the child only, small assistance of parents may be taken.
- Pre-made projects will receive a strict rejection.
- Marks will be awarded for holiday homework in each subject.

PROCEDURE OF SUBMISSION OF HOLIDAY HOMEWORK:

The Holiday Homework needs to be submitted on WhatsApp of the respective subject teacher between 9AM-2PM according to the schedule given below:

24th January: English, GK and Hindi

25th January: Mathematics and IT
