

WINTER VACATION HOMEWORK

Dear Parents

Greetings from Asian School

As we are all aware about the prevailing conditions and new developments, we need to keep in mind that the danger hasn't surpassed us yet. While exploring the world outside and trying to get things back to normal, we still need to follow the COVID 19 awareness and guidelines issued by the Ministry of Health and take necessary precautionary measures at all times.

"The anxious and unusual times bring unforeseen difficulties but the best of human nature can rise to the challenge."

The Winter Break is scheduled from **16th December 2021 – 26th January, 2022. The students will resume to school for classes on 27th January, 2022.**

Vacations are not only meant to explore the world outside but also are an opportunity to rediscover ourselves while we stay at home. So, embark on a journey of fun and adventure by reading books, exercising, meditating, dancing and channelizing your energy in a positive manner.
