Dear Parents,

Warm greetings!

For almost past one month we enjoyed taking care of your precious children. You might have noticed that they all love to come to school. For the next one & a half month, you, their natural guardian will get the opportunity to spend more time during this vacation, with them. Let's share some tips to make this period a fruitful and happy experience for them.

❖ Let them wash their own plates after every meal. Children learn dignity of labour from such activities.

- ❖ Visit the grandparents or an elderly couple from the neighbourhood and let your children bond with them. Perhaps carry a painting or a self made craft as a gift for them. Their love and emotional support is very important for your child. Click snaps with them.
- ❖ Take them to your work spot and let your child understand that you work very hard to support the family.
- ❖ Do not miss the local festival and local market. They should be informed regarding the history of these festivals.
- ❖ Allow your child to play outdoors, get hurt and get dirty. It's okay for them to fall down and experience pain once in a while. Comfortable life within the sofa cushions will make your child lazy.
- ❖ Allow them to adopt a pet dog or a cat or any animal, bird or fish.
- ❖ Teach them a few folk songs. This is a very important part of building on family traditions.
- ❖ Keep your children **away** from **TV, mobiles phones, computers** and other **electronic gadgets**; they have their whole life for that.
- ❖ **Avoid** giving **chocolates, jellies, cream cakes, chips, aerated drinks** and too many bakery products like **puffs** and **fried items** like **samosas**.
- ❖ Look into the eyes of your little one and thank God for giving you one wonderful gift. In a few years from now, they will be soaring into greater heights.
- ❖ Writing is how a child shows what he or she knows and what has been learned. If you think your child needs writing practice, help him/her to build his/her writing skills. Please expose your ward towards a greater mathematical awareness.
- ❖ Focus on your child's interests and strengths. Help your child to stay organized.
- ❖ Make every day a learning day!!

As parents, it is important to invest your time with them now.

Enjoy your vacations and come back rejuvenated.
