S.ST. HOMEWORK	<p>India is a melting pot of many religions, cultures and traditions. You should know that it is an ancient land that was called as the 'Golden Bird'. Let us take a tour of India, meet our Indian variety of spices that opened a new chapter in the history of overseas trade.</p> <p>Activity Time: Let us Explore: Make a list of Indian spices with their origin.</p> <p>Do you know: In 1498 CE, Vasco da Gama, a Portuguese explorer, discovered the sea route from Europe to India? He returned to Portugal with a cargo full of spices, calicoes, silk, gold, pearl, ebony and ivory from India, which sold for 50 times the cost of his sea voyage.</p> <p>Fun time : Draw a map showing Vasco-da-Gama's sail around Africa via the cape of Good Hope and reaching Kozhikode (known as Calicut) in Kerala.</p> <p>Kerala is known as the 'Land of Spices'. Spices are used in different forms:whole, chopped, ground, roasted, fried and as topping. They blend food to extract the nutrients and bind them in a palatable form.</p> <p>Activity Time:Make a table chart showing different types of India's spices with headings given below:</p> <table><tr><td>Name of Spice</td><td>Picture</td><td>Type of Soil</td><td>Climate</td></tr><tr><td></td><td></td><td></td><td></td></tr></table> <p>Note: Present your holiday homework in a creative manner.</p>						Name of Spice	Picture	Type of Soil	Climate										
Name of Spice	Picture	Type of Soil	Climate
