

## **SCHOOL ANNUAL EXHIBITION 2012**

The Founder's Day celebrations started at 11:00 a.m. on 21<sup>st</sup> October with the inauguration of the Subject Exhibitions put up by the various departments of the Asian School. The Chief Guest on this occasion was Ms. Anju Chauhan. The exhibitions were based on the common themes, "66 years of India's Development" and "Save the Girl Child". This event was judged by Mrs. Simmi Juneja, Mrs. Harveen Juneja, Mrs. Geeta Das & Ms. Anju Chauhan,

The Junior School showcased informative and attractive exhibitions put up by the Hindi, English, Science and Social Studies departments, with models such as a 3-D model of a planetarium, models of Solar Park, Organic farming, rain water harvesting etc. the Art and craft exhibits put up by the junior wing were a reflection of their creativity and talent. There was a dazzling array of paper Mache photo frames, glass paintings, tile paintings, paper weights, pen holders, magazine holders, paintings collages, tissue paper flowers etc.

The exhibits put up by the senior school were extremely informative and eye – catching.

The Maths exhibition was able to generate tremendous interest among the visitors with ingeniously made models such as "Trigonometric Laptop" and "Tower of Hanoi". There were also a series of brain storming puzzles and games.

The Computer exhibition was also a crowd – puller with interesting working models and projects on 'Video Conferencing', 'Horoscope Software', 'Online Tutorials', 'Global positioning systems' etc.

The Biology exhibition enthralled the visitors with working models on topics such as DNA fingerprinting, CT scanner, ELISA test, Animal Cloning, Tsunami Detector, Role of ISI Agmark and FPO in testing the quality of food material etc.

The Chemistry exhibition portrayed informative models such as 'Chemical Garden', 'Heavy water production', 'Pharma World', 'Organic and inorganic fertilizers' etc.

The Physics department showcased working models such as, 'Pollution Detector', 'Hydroelectric Power Plant', 'Moisture detector', 'Transportation systems of modern cities' etc.

In the Social Studies exhibition, the 66 years of India's development were aptly portrayed by models such as 'Development of Architecture and communication', 'Cottage industries', 'Multi – purpose projects', 'Satellites launching and development' etc.

The English and Hindi departments took the theme of the exhibition to a creative and literary level by way of charts and models depicting the onset of a new era in Independent India and the creative genius of writers like Khushwant Singh, Mulraj Anand, Sudha Krishnamurty, Vikram Sethi, Anita Desai, Chetan Bhagat etc.

The Commerce Exhibition highlighted the development in the field of Primary, Secondary and Tertiary sectors. The attractive models were based on Banks, Sugar Mills, Airports, modern towns etc.

The Physical Education Exhibition portrayed the all encompassing role of physical education in our lives. The models and charts displayed the rules and technicalities involved in different sports and games.

The Art and Craft Exhibition proved to be a major attraction among the visitors. Beautiful paintings were not only made on paper but on stone and glass as well. Beautiful terracotta pots and artifacts were on display. The array of craft items included innovative and aesthetically designed table mats, pen holders, magazine holders, paper bags etc. The assiduously made craft items were equally eye – catching.

Present on the special occasion were the President Mr. Amarjeet Singh, Board members Mr. Madanjeet Singh, Mrs, Simmi Juneja, Mrs. Harveen Juneja, Principal Mr. A. K. Das, Director Mr. Gaganjyot Singh, Vice Principal Mr. Anant V.D. Thapliyal Co-ordinator Middle School Mr. Mukesh Nangia, Head Mistress Ms. Farah Saulat, Parents, Students past and present and the entire teaching staff. The joy of students in highlighting their models and exhibits, were whole heartedly appreciated by all the parents.
