

Dear Parents and children

Asian Greetings!

Summer vacation is a time for fun and frolic and time to bring you some constructive activities to enhance your learning process. It is probably the best time of the year for you all. Vacation is a time when you connect with your friends, family members and relatives. School work can be fun filled too! Therefore the teachers have planned some activities and projects for you to develop hands- on approach towards learning. All tasks have been designed keeping in mind your learning in all subjects while you enjoy the break.

Here are few tips for you to follow –

- Spend quality time with your parents and show that you care. Listen to stories from family members and try to narrate them
- Plan a daily routine for yourself.
- Physical fitness is an important aspect of life. A healthy mind stays in a healthy body. Do yoga/ aerobics and exercise regularly to remain fit and healthy.
- Go for a walk, talk about things you see around.
- Drink a lot of water/juices and eat healthy food.
- Plan some outdoor and indoor games.
- Help parents in small household chores like dusting of the house, cleaning wardrobes and watering the plants.
- Reading from colourful illustrated story books will develop your language skills.
- Use the golden words 'sorry', 'please', 'thank you' and 'excuse me' extensively.
- Last but not the least – 'Speak in English with your family members and friends.'

“SUCCESS IS THE SUM OF SMALL EFFORTS REPEATED DAY IN AND DAY OUT”.

Guidelines for Holiday Homework

1. Complete all the suggested activities during the vacation.
2. Original drawings/illustrations and creative use of material will be appreciated.
3. Parents are requested to just guide the children to complete the task on their own.
4. Homework will be assessed on the basis of neatness, creativity and originality of ideas.
5. Complete the worksheets shared by your teacher
6. Label your Holiday Homework and submit as suggested.

7. Holiday Homework would be graded. The same should be completed and submitted to the class teacher by 11 July 2022.

Here are a few activities we have planned to keep you engaged.

IV. SCIENCE

A. FLIPPED CLASS – TO BE DONE IN BIOLOGY HOMEWORK NOTEBOOK

Read the chapter **"GARBAGE IN, GARBAGE OUT"** from your Science (NCERT) textbook and answer the following questions in your **BIOLOGY HOMEWORK NOTEBOOK**

- All NCERT Questions from the exercise (Page no 164)
- Collect old and discarded objects and materials like glass bottles, plastic bottles, coconut husk, wool, cloth rags etc. Try to make something useful out of them instead of throwing them.
- Write a letter to the "Tree Authority" of your city or state to declare burning of leaves as an offence. (Refer to page 165 of your textbook under the heading **A MATTER OF CONCERN!**. You can also take reference from various articles on stubble burning that were in the news some time back)

B. SCRAPBOOK ACTIVITY – "HOW HEALTHY DO I EAT?"

Collect labels of 6 to 8 different packed food items used/consumed by you and your family. Read and observe the nutritional value chart printed on the label carefully and try to identify the nutritional value of each food item as mentioned on the label. Classify them as "HEALTHY" and "UNHEALTHY".

In your scrapbook

- Stick the labels of the food items you have collected (specifically the nutritional value chart)
- Name of the food item (Brand not to be mentioned)
- Whether the item is HEALTHY or UNHEALTHY. Justify your answer as per the nutritive value
