Kindly ensure that the Holiday Homework is completed by the students under the guidance of the parents.

So here we start....

**"Reading is fun, loads of fun "**: Introduce your child to a picture book, story books and converse with them to develop their vocabulary and communication skills by encouraging them to talk about pictures they see in the storybook on their own and let your child recognize the letters ,shapes ,colors and animals they see in the story book .

Suggested story book series:

- The Greedy Hen
- The Frog Prince
- Thumbelina

**Time for fun with music:** Rhymes play an important role in the growth and development of children. It helps them to develop auditory skills, modulate voice and speech development . So to enhance these skills and have fun with music, make your child listen to rhymes and learn at least two rhymes .

ACTIVITY: **Branch Painting** : Branches are easy for children to hold onto and strong enough to survive the painting process.

For this activity, you can use a small branch, twig or stick for painting. With 4 or 5 painted sticks they can create a colourful bunch of sticks for home décor. These can be displayed for all to appreciate!
