

***Dear Parents and Children
Greetings from The Asian School***

Vacation is the time for the children to explore their myriad interest and indulge in various activities which would lead to their all round development. It is not only a time for fun and frolic, but also a time to engage yourselves into some constructive activities to bring out the best in you. We, at The Asian School, have planned some activities and projects for you to develop a hands-on approach towards learning. The activities and assignments have been designed in a way to promote learning in all subjects and to develop “know-how” of certain aspects of the world around them while promoting and enhancing creativity among the students. These integrated exercises shall surely be a fun filled experience for all the children.

A few tips for the students

- Spend quality time with your parents. Try to learn from their experiences and anecdotes.
- Adopt a hobby.
- Spend time reading age appropriate literature like story books, novels and magazines. Try to find out some new words and look up their meaning in the dictionary to enhance your vocabulary.
- Avoid using mobile phones, watching television or playing video games the entire day. Spend time in the garden, observe nature, learn cooking or join a hobby class like painting, origami, karate etc.
- Adopt a fitness routine. This could include anything like playing outdoor games, yoga, morning exercises or even regular walks with your parents/grandparents.
- Help out at home. This will also earn brownie points with your parents and help you realize the importance of organization and cleanliness.

A few tips for parents

- Parents are requested to encourage their ward to do the homework independently. They can support the child if he/she needs help.
- Students should adhere to the instructions related to each assignment.
- Creativity and originality of the work will be appreciated.
- The child has to complete all the pending class work and homework.
- **All work on the internet will be done under parental guidance**
- Holiday homework would be graded. The homework should be completed by 10th July 2023. The students should submit their homework to the HRTs latest by 11th July 2023.

We hope that this summer break would be an engaging, useful and a fun filled one for our children.

***Regards
The Asian School***

Here are a few activities/assignments to keep you engaged during the summer vacations

“Opportunity For Budding Young Writers and Poets”

Get your short stories and poems published in form of a book by submitting your entries at the given email addresses between 10 June and 15 June 2023.

Guidelines to be followed:

1. The story/poem should be original.
2. The story line, characters, plot etc should not be copied from any source.
3. The story can fit any genre. (mystery, action, thriller, fiction, horror, supernatural etc)
4. The story should be in 500-1500 word range.
5. To be sent as word (doc) file.

Entries to be submitted at:

gitanjalisindhi52@gmail.com - VI D, VI E, VII A, VII B, VIII C

shwetaa0216@gmail.com – VI A, VI C, VII C, VIII B, VIII E

berryneelma@gmail.com – VI B, VII D, VII E, VIII A, VIII D

Instructions for Holiday Homework

1. ***Holiday homework for English, Hindi, Maths, Science and Social Science is an INTEGRATED ASSIGNMENT. The topic/theme for the assignment is “ISRO & ITS CONTRIBUTION”. The Holiday Homework for these five subjects should be done in a SINGLE SCRAPBOOK.***
2. ***Use your creativity to decorate your scrapbook based on the theme.***
3. ***Holiday Homework for remaining subjects shall be done as per the instructions given along with each subject.***

A. ENGLISH

1. Imagine you are Kalpana Chawla. Write a letter to your friend describing your struggle to become an astronaut, your time at ISRO and your achievements.

(Refer to the chapter - An Indian American in Space: Kalpana Chawla. Honeysuckle Class VI)

2. BBC Compacta - Module 2, Page 81.

You recently met a celebrity. Write a diary entry describing who you met, where and how, what you said to each other or did with each other and how you felt about the experience.

B. HINDI

ISRO का शाब्दिक अर्थ बताते हुए उसके इतिहास एवं पिछले पाँच वर्षों की मुख्य उपलब्धियों का सचित्र वर्णन कीजिए ।

C. MATHS

A. Using the waste material available at home, make a beautiful 3-D model of a spacecraft/rocket/satellite launched by ISRO. Prepare a small write up for the model on the following guidelines-

- Description of the model - Name, year of launch, time taken to complete it etc.
- Prepare a list of Mathematical shapes required to make the structure of various body parts of the model using different waste material available at home like - plastic bottle - cylindrical structure etc.

B. On the daily basis, solve at least five mathematical problems (from the chapters taught till now) from Learning Composite Mathematics in your Practice Register (Maths-3).

C. Go through chapter “Visualising solid shapes” from NCERT textbook and solve exercises in book only.

(Note: Use a pencil to mark answers in the book).

D. SCIENCE & SOCIAL SCIENCE

Prepare a Case Study on the topic “**ISRO & ITS CONTRIBUTIONS**”. Support your study with pictures

Points to be included:

1. History of ISRO
2. Achievements of ISRO in the field of astronomy

3. Important scientists and their contributions in ISRO
4. Contribution of ISRO in the field of education
5. ISRO as a role model for the world in the field of astronomy

F. COMPUTERS – to be done in a separate thin scrapbook

Prepare a report on the topic "COMPUTER ETHICS". You can use the following guidelines.

- Explain how to maintain safe working environment and use computer equipment that prevents personal injuries?
- Make a flowchart that describes the types of cyber crimes that happens around the world.

G. SANSKRIT – To be done in your Sanskrit notebook

निम्नलिखित रूप लिखें -

शब्द रूप - एषा (स्त्रीलिंग)

धातु रूप - दृश के लट्, लृट् व लङ् लकार ।

H. FRENCH – To be done in your French notebook

Learn and write the following in your French notebook from « Dictionnaire Illustré »

- | | | |
|------------------------|------------------|------------------------|
| 1) La salle de classe. | 5) Les sports | 8) Les fêtes de France |
| 2) Maison et cuisine | 6) Les appareils | |
| 3) Le marché | électroniques | |
| 4) Les opposés | 7) Le temps | |

I. PUNJABI – To be done in your Punjabi notebook

- a) Read the chapters according to syllabus and write meanings of the difficult words
- b) Describe your visit to a religious place .Also collect pictures and paste

J. SUPW

Things required

- New erasers -2
- Pencil-1
- Paper cutter -1
- Favicryl acrylic colour-1 black bottle
- Sponge - 1
- Water colour brush-1 (2 no)
- Cloth bag with string - canvas/ Markeen/cotton (Size 12/16 inches approximately - available on Amazon or your local market)

Procedure

a) Practice -

Make a design for cloth bag using eraser stamp on A4 size paper and old cloth of A4 size as taught in the class.

b) Final work -

- Wash new cloth bag. iron it. Leave margin of one inch in all 4 sides. Insert hard board between the two layers of bag. Use your stamp and paper cutter to make design on eraser.
- Finish your stamping as taught in the class. Write your name and class on slip and stick it to your bag. Submit after holidays to your art teacher.
