

## THE ASIAN SCHOOL, DEHRADUN

Dear Parents

### Greetings!

It has always been a moment of pride for us to witness the progressive growth of our dear students. Considering learning as an incessant process, it is recommended that our young minds shall engage themselves in solving the worksheets as a part of their winter holiday homework.

Our aim is to provide homework that will consolidate what the students have learned during the term and also allow them to explore new ideas and become independent learners. This homework will therefore be a valuable tool for your child's growth and development.

The homework will be explained to your child by their teachers and outlined in a document that they have been provided. Should you have any questions or concerns regarding the homework, please do not hesitate to speak to your child's teacher.

Besides the holiday home work, our students must also engage themselves in reading, singing, strengthen the family bond, adopt a healthy life style, respect the elders and inspire the younger ones, admire and appreciate nature, think and create something out of the box, spend time with the grandparents and follow necessary precautions to stay safe.

We hope that our endowed students will nurture their aptitude in the vacation and embrace the **NEW YEAR 2024** with bliss.

Thank you for your continued support in your child's education. We wish you all a safe and happy winter holiday.

Thanks & Regards  
*Raehi Mehrotra*  
**HEADMISTRESS**

*Ruchi P. Datta*  
**PRINCIPAL**
