

Have a great Vacation!

Dear Parents

The summer break from school is often filled with travel plans and family get-togethers but it is also important to help our children with their learning process. We have designed the activities for an all round development of the students through which they can constructively keep themselves engaged during these holidays.

The learning engagements for the students are designed on the theme “**Sustainable Development Goals**”. We are hopeful that these activities will surely keep our little ones busy in a creative way during this summer break.

Besides the holiday homework given above, we would like to share some tips for your child to make this time a fruitful and happy period for them.

This summer break try and make a difference

- **Appreciate nature**--- Go for long walks in a park or garden with your family and friends.
- **Unravel the artist in you** --- Create a new story, try a new recipe with your mom, learn a new song, play a new instrument.
- **Good manners are the key** --- Respect your parents, grand-parents and all elders.
- **Use the three magical words** ---- Sorry, Please and Thank You more often. A little more courtesy goes a long way.
- **Stay fit and stay healthy** --- Play your favourite game / sport regularly, increase intake of fresh fruits and water to keep hydrated and energetic.
- **Learn about our heritage** ---- Find some time to visit monuments and museums. Learn new things related to your country.
- **Reading** --- Look for interesting books and read to enhance your communication skills and vocabulary.

Instructions For Holiday Assignment

- Buy an interleaf scrapbook and do all your Homework in it.
- The scrapbook should be neatly labelled with the name, class, section mentioned clearly.
- The homework must be done systematically as per the given instructions.
- Parents must act as guides and facilitators but not substitutes to do the work. It must be the effort of the child.
- Homework will be assessed on the basis of neatness and originality of ideas.
- Holiday homework would be graded as Subject Enrichment Activity.

- A page of handwriting to be practiced in your handwriting notebook for both Hindi and English.

Kindly Note: - The first written round of Spell Bee for all classes I-V will take place as soon as the school reopens after the summer break.

You will be expected to practice the new words in ALL the subjects (Except Hindi) which have been done for UT1 to clear Round 1 of Spell Bee.

We wish you an abundance of joy, laughter and love this summer with your family.

Make each day of yours full of positivity and great learning!

WITH GRATITUDE FOR YOUR SUPPORT.

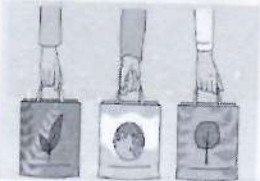

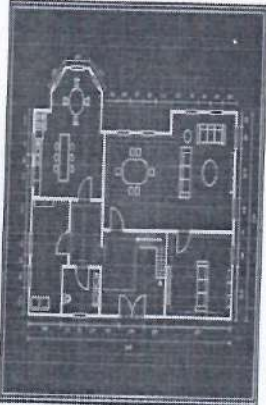

Regards

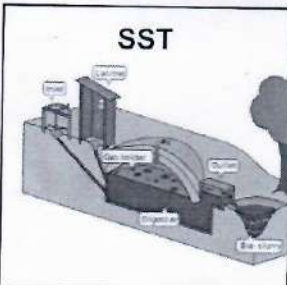

Junior Wing
