

*"Education is the passport to the future, for tomorrow belongs to those who prepare it for today".*

Dear Students and Parents,

As we embark on the winter vacation, we want to remind you to the importance of continued learning and growth during this time. To ensure that our students remain engaged and academically stimulated, we have assigned winter holiday homework in the form of worksheets for classes I-V. This homework is designed to reinforce concepts learned throughout the year and to prepare students for the upcoming academic term.

Please note the important information about the worksheets:-

- ❖ Worksheets are made for the following subjects:-
  - English
  - Hindi
  - Mathematics
  - Science
  - Social studies
- ❖ For IT and GK there are no worksheets. A creative holiday homework is incorporated in the syllabus link.
- ❖ A PDF for all the subject worksheets along with the final syllabus is being attached.
- ❖ Students need to take the print out of the worksheets.
- ❖ Extra A4 sheets can be attached if required.
- ❖ They need to get them in a handmade folder to submit to their respective HRT's once the school reopens after the winter break.
- ❖ Students are advised to clearly mention their Full name, class and section on their folder.
- ❖ Make it as creative as you can as it will be marked for your final term assessment.

*"You can make your holidays fun and learning at the same time".*

### Some fruitful tips

- Look for interesting books and read as much as you can which will help improve your communication skills and vocabulary.
- Develop healthy habits and take good care of your health and hygiene.
- Increase intake of fresh fruits and water to keep hydrated and energetic.
- Use Holiday Homework as an opportunity to spend quality time together.
- Encourage your child to take up a new hobby like cooking, drawing, painting, dancing or playing an instrument.
- Involve kids in household chores.

*Parents, your support in encouraging your children to complete their winter homework is invaluable. By working together, we can ensure that our students continue to thrive academically.*

*Wishing everyone a productive and enjoyable winter break!*

*Thanks and Regards*

*Junior Wing*
