MERRY CHRISTMAS

HAPPY NEW YEAR

* School will resume JAN. 22, 2026*

THE ASIAN SCHOOL

Dear Parents,

Greetings from The Asian School!

Winter vacation offers students a welcome break from their regular academic routine—a time to relax, refresh, and return rejuvenated. This period provides an opportunity for children to pursue hobbies, explore creative interests, enjoy quality moments with family, and reinforce the concepts learned during the term.

To maintain continuity in learning and encourage independent study habits, well-designed Holiday Homework has been assigned. These activities aim to consolidate classroom learning, develop essential skills such as time management and self-discipline, and ensure that students resume school confident, motivated, and ready for the challenges ahead.

To give our students meaningful family time in the comfort of their homes, the winter break is scheduled from **20th December 2025 to 21st January 2026. Classes will resume on 22nd January 2026.**

Parents play a vital role in guiding their child to complete assignments responsibly. Your support in creating a calm study environment, offering encouragement, and monitoring progress—without completing the work on your child's behalf—helps build confidence, responsibility, and healthier learning habits.

We believe that a well-balanced vacation combines leisure with purposeful engagement. Holiday Homework is designed not to burden students, but to enrich their learning journey while allowing ample time for rest and recreation.

We wish you and your family a joyful, safe, and enriching winter break!

Regards,
The Asian School
