Dear Parents & Students!

Summer is here—a time to relax and enjoy! To keep the learning spark alive, we've put together some fun and thoughtful holiday homework.

These activities are designed to refresh what you've learned, spark creativity and build new skills—all while having fun! It's also a wonderful opportunity to explore, learn and grow in creative ways beyond the classroom.

This year, the theme for our summer holiday homework is-

"Green Planet – Protect Nature, Preserve Our Future."

Through these holiday tasks, you will engage in fun and educational activities that promote environmental awareness, sustainable living and eco-friendly habits.

Note: Use a single scrapbook for all subjects.

Submission Date: First Day After Holidays.
